PROFESSIONAL SUMMARY

Business Information Systems master's student combining hands-on technical skills (Python, SQL, Power BI, Tableau) with a strong business-analysis and stakeholder-engagement background across insurance, retail, marketing and e-commerce operations. Experienced in translating business problems into structured, data-driven solutions from AI/automation prototyping (Deloitte x ServiceNow Appathon) to market research and pricing strategy (Fuel50 virtual internship). Award-winning in applied financial analysis, with a track record of delivering client-facing recommendations and reports.

EDUCATION & QUALIFICATIONS

Master of Business Information Systems — *University of Canterbury, Christchurch* | Jul 2025 – Nov 2026 (Expected)

- UC Global Leadership Programme (Apr–Oct 2026, 6 months) — collaborated with diverse teams and local organisations in New Zealand; supported Christchurch City Council events; developed intercultural communication and leadership skills, including helping international students settle into study and life in NZ
- UC Global Impact Industry Project (Jul–Oct 2026, 4 months) — worked with Syft Technology, Christchurch, conducting international market research, competitor analysis, customer insights and market-entry strategy recommendations for NZ companies; delivered professional reports and final presentations to support expansion decisions
- UC Virtual Internship, Client: Fuel50 (3 weeks, Jun–Jul 2026) — acted as business consultant and team leader analysing SaaS and agent-based pricing models to design and evaluate two pricing options for an AI-driven HR-tech platform; benchmarked competitors, assessed commercial risks and customer impact, and presented a recommended pricing strategy to the client

Master's Degree in Management — *BINUS University, Jakarta* — GPA 3.7/4.0

Aug 2018 – Mar 2020

TECHNICAL SKILLS & TOOLS

Data & Analytics: SQL, Python, OCR, Power BI, AI Studio, Tableau, Excel (modelling & reporting)

Business Platforms: ServiceNow, POS/inventory systems, e-commerce marketplace platforms, Katipolt

AI & Automation: AI Studio, AI-assisted workflow prototyping, prompt-based tool design, API and platform integration

Finance & Research: Market & competitor research, financial modelling, risk management, technical analysis

EMPLOYMENT HISTORY

Business Systems Analyst Intern, Cassidy Davies Electrical | Belfast, Christchurch

- Designed and deployed a live, web-based operations dashboard tracking job costs, profit margins and claim progress, replacing manual spreadsheet reporting across the business
- Built and integrated a job-data pipeline connecting the Katipolt platform to internal reporting tools; evaluated Zapier-based automation, then pivoted to a lightweight browser-driven workflow that cut a ~2-day manual export process to 30–60 minutes
- Developed Python automation (openpyxl) for month-end spreadsheet rollovers, including custom logic to preserve formulas across merged cells and cross-sheet references
- Built OCR-based automation to process packing-slip photos received via WhatsApp, removing manual data entry for office staff
- Authored technical documentation and stakeholder reports — operational guides, an automation roadmap and efficiency analysis with estimated time savings — to support process handover and transparency with leadership
- Partnered directly with company ownership to scope requirements, demo iterations and refine deliverables based on feedback

Tuakana, Evaluation and Student Insight — *Te Whare Wānanga o Waitaha | University of Canterbury*

- Mentored and supported international students through academic, social and cultural transition
- Organised and facilitated student engagement events to promote inclusion and community connection
- Collaborated with university staff and student-support teams to deliver student-focused initiatives
- Demonstrated leadership through peer guidance, teamwork and effective communication with diverse student groups

Pharmacy Assistant — *Chemist Warehouse | Northwood, Christchurch* | 2025 – Present

- Managed stock receiving, shelf replenishment and inventory checks - ensuring products were available and correctly recorded in the system
- Regularly used POS and store systems for data entry, stock updates and transaction processing, maintaining accuracy in daily

operations, helped ensure pricing and promotional labels matched system data, especially during busy periods and promotions

- Assisted customers with product and pricing questions, requiring attention to detail and clear communication

Assistant Manager — *CV. Multi Sarana | Bandung, Indonesia | 01/2022 – 07/2025*

- Managed the company's online marketplace platforms, including product listings, descriptions and pricing
- Worked with overseas suppliers (China, Korea, Germany) to ensure product details and orders were accurate
- Supported online promotions and campaigns, adjusting product visibility and pricing as needed
- Assisted with administration, purchasing and stock checks, ensuring consistency between online and offline inventory

Insurance Staff → Business Partner — *PT. Allianz Life Indonesia Tbk | Bandung, Indonesia | 02/2020 – 01/2022*

- Managed customer data, policy information and documentation with a strong focus on accuracy
- Analysed client needs and performance results to improve sales outcomes
- Built and maintained client relationships while keeping organised, reliable records
- Achieved high sales performance, leading to promotion to Business Partner with 2 direct staff, and recognition awards (trip to Shenzhen, China)

Marketing Officer — *PT. Chitose International Tbk | Cimahi, Indonesia | 05/2017 – 02/2020*

- Organised government-related events across multiple provinces, ensuring smooth coordination and execution
- Assisted clients in using e-catalogue systems for procurement, explaining product details and processes
- Supported sales activities (B2G) and consistently achieved targets
- Gained experience presenting product information clearly to different stakeholders

ACHIEVEMENTS & CERTIFICATIONS

- 1st Place, University of Canterbury Trading Competition 2025 (UC Business & Investment Society, with CMC Markets) — grew a \$100,000 simulated portfolio to \$680,000 through market research, risk management, technical analysis and diversification (Jul–Aug 2025)
- 1st Place, Tiger Brokers New Zealand Tertiary Student Sim-Trading Competition — organised by Tiger Brokers NZ with NZCSA (Sep–Oct 2025)
- Deloitte x ServiceNow UC Student Appathon — rapidly prototyped a culturally grounded online-safety app for rangatahi on the ServiceNow platform, from a live brief by Te Rūnanga o Ngāi Tahu
- Oracle Data Platform 2025 — Certified Foundations Associate (issued August 2025)
- Investment Foundations Certificate, CFA Institute (issued February 2026)
- Finance Accelerator, AmplifyME (issued October 2025)
- McKinsey Forward Program (issued June 2026)
- First Aid Level 1 Certificate, Hato Hone St John

PUBLICATION

Kwan, F. P., Hermawan, L. R., & Hafizhi, N. (2019). E-HRM: Pain or Gain for HRM Effectiveness. *Jurnal TAM (Technology Acceptance Model)*, 10(1), 22–32.

<https://bbs.binus.ac.id/mm-blendedlearning/wp-content/uploads/sites/13/2020/04/732-1476-1-PB.pdf>

Co-authored peer-reviewed research investigating the impact of Electronic Human Resource Management (E-HRM) on HRM effectiveness using the UTAUT framework and Structural Equation Modelling (SEM-PLS)

VOLUNTEER EXPERIENCE

Multimedia Team Leader — *IFGF Christchurch (Indonesian Church)*

Jan 2026 – Present

- Led and coordinated the multimedia team during church services and events, delegating tasks and scheduling volunteers
- Edited, uploaded and managed YouTube videos, and created graphics using Canva for presentations and social media
- Helping designing and built an AI-assisted application to help structure and automate the volunteer roster/schedule
<https://roster.ifgfchristchurch.org>
- Trained new volunteers and maintained multimedia equipment inventory

Branch Out — Mairehau School — *Student Volunteer Army New Zealand*

Jul 2025 – Present

Event Crew — *Super Round Rugby — Crusaders vs Waratahs Player Signing Event*

23 Apr 2026
